Pray For Each Other

North Aurora SDA presents special music

“ Praise the Lord,
O my soul, and
forget not all his
benefits—who for-
gives all your sins
and heals all your
diseases. ”

Psalms 103:3

It was a pleasure hosting North Aurora School this Sabbath. North Aurora is on a special music tour of Adventist churches in the area, spreading the gospel through music.

We'd like to thank Principal /Teacher, Robin Tucker who is doing a wonderful job with the students. The families of the children all came to support the school on this special Sabbath day. Mr. Randal Reece offered the children's story which was titled, "Tell Me How to Get to Heaven". Mrs. Tucker teaches the lower grades and Mr. Reece teaches the upper grades. The school has 17 students in grades K-8.

INTERESTED IN TEACHING READING AS A MINISTRY?

Since we've started advertising our English As a Second Language class. I've received a number of calls asking if we offer reading classes. It may be possible that our community could use some help in this area also. If you have a desire to share your talent with the community in helping others become better readers. Consider this as a ministry and offer a "Be a Better Reader" class at our church.

We'll find a place for you on the calendar! Call the church office if your interested in teaching others to read and understand with confidence. 630-739-1038

HELP WANTED

American Home Health Corp. a home health company is looking for LPN's and RN's to work with our patients (mostly children). If you're interested you can apply online at **www.ahhc-1.com** and add that Monica Cervantes referred you. It's part time or full time, very flexible just in case anyone is looking for extra money. I really need some good Christian nurses to help out with our patients. I noticed that is the difference that is greatly needed.
